VISU BAR STOOL
FURNITURE / LIGHTING / ACCESSORIES

MIKA TOLVANEN ON THE DESIGN “The Visu Bar Stool is a natural continuation of the Visu chair. The idea was to create a simple and elegant stool with great seating comfort, supported by a discrete footrest. The proportions of the chair are exactly right, and the chair is able to combine small elegant curves with longer straight lines in the quest of becoming an ever-relevant furniture.”

PROCESS
Shell is form-pressed. Base is cut and all elements are lacquered.
