VIRKA SIDEBOARD

Designed by Mark Wedel Pedersen
& Rasmus Røpke

Virka is an elegant and timeless sideboard in two heights. With clean lines and a simple expression, the Virka sideboards can be a part of a consistent design language or be a stand-alone object. The sideboards are designed with sliding doors, so it will never take up unnecessary space in your room. The geometrical frame makes Virka seem light and almost hovering over the floor. Behind each door is an adjustable shelf with space to let cables pass on the back and out through the holes in each backboard.

MATERIALS Oak veneered plywood

DETAIL DESCRIPTION Carcass and doors made from fully oak veneered plywood. Virka comes in two colours and two sizes. Black painted oak veneer carcass with black painted oak veneer door and soap treated door. Soap treated oak veneer carcass with two soap treated oak veneer doors. Virka comes with one shelf in each side and holes in the backboard for easy cable routing. All models come with a detachable black powder coated leg frame.
