STEDGE

Designed by Leonard Aldenhoff

The Stedge shelf exudes lightness, purism and a very clear structure. The fine edge and the simple design make it the perfect match for any room. Stedge will be a minimalistic stage for your favourite objects. Add extra shelves to create your own unique stage with an edge.

MATERIALS Oak, metal

DETAIL DESCRIPTION Solid soap treated oak and solid smoked oak shelves. The shelf boards measure 20 mm. at its thickest point and 4 mm. at its thinnest. Black powder coated metal wire and fitting bolts. Stedge comes with a mounting template for easy instalment. The Stedge shelving system can be extended with as many shelves as you like. Total height from wire top to bottom of second shelf is 1200 mm. The space between the shelves is 400 mm

DIMENSIONS (MM) Shelf: L 800 x D 220 x H 1200
