(D) Básica M2

The publication of the Básica lamp in 1987 was a return to warmth from the prevailing fashion of lamps with tubular metal structures (usually painted black) and dichroic halogen bulbs. This piece laid the foundations for the publisher's premises, became Santa & Cole's most emblematic piece and set a new trend in European design.

GENERAL DESCRIPTION

Birch wood column with nickel or bronze base.

4 lampshade options:

(A) Básica P2 (stitched beige cardboard, natural ribbon, or white linen).
