

PK20™

PK20™ is a laidback and elegant lounge chair. PK20 is built upon a flexible matt chromed spring steel frame. The original idea for the chair was to use the excess leather strips from the production of other leather furniture to optimize production, but the idea was rejected because the leather strips were too different, and currently is only the finest leather strips used. The PK20 version with a low back is part of the permanent collection at the Victoria and Albert Museum in London.

REPUBLIC OF **Fritz Hansen®**

PRODUCT DESCRIPTION

The lounge chair PK20™ is made in leather or untreated wicker. The leather version has a high back and headrest made in matching leather. The wicker version has a low back and is without a headrest.

The base is made of matt chromed spring steel.

DESIGN

Poul Kjærholm, 1968.

POUL KJÆRHOLM 1929-1980

Poul Kjærholm was a trained cabinet maker and continued his studies at the Danish School of Arts and Crafts in Copenhagen. He had a particular interest in different construction materials, especially steel, which he considered a natural material with the same artistic fineness as other natural materials.

Poul Kjærholm was first employed at Fritz Hansen for about a year, where he designed a number of noteworthy chair prototypes. In 1955, Poul Kjærholm initiated his collaboration with manufacturer Ejvind Kold Christensen, which lasted until Kjærholm's death in 1980. In 1982, Fritz Hansen took over the manufacture and sales of "The Kjærholm Collection", which was developed over the period 1951 to 1967.

UPHOLSTERY

PK20™ comes with upholstery in the following leather types: Classic, Rustic, Natural, White, Optical white, Elegance and Sense.

Additionally, it is available in natural wicker.
